STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Hinsdale qualified to vote in town affairs:

You are hereby notified to meet at Town Hall, on Tuesday the 12th day of March, 1940, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk for the ensuing year.

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, Auditors and other town officers.

Article 3. To choose a member of the Board of Selectmen for the ensuing three years.

Article 4. To choose a member of the board of Library Trustees for the ensuing three years.

Article 5. To choose five members of the Budget Committee for the ensuing year.

Article 6. To choose a member of the Water and Sewer Commission for the ensuing year.

Article 7. To choose all other necessary town officers and agents for the ensuing year.

Article 8. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for support of the poor, for maintenance of the fire department, for lighting the streets and for all other necessary expenses arising within the town.

Article 9. To see what action the town will take in regard to refunding \$1,241.90, the cost of the Cream Pot Hill Sewer.

Article 10. To see what action the town will take in regard to refunding \$1,416.81, the cost of W. P. A. the past year.

Article 11. To see if the town will vote to raise and appropriate the sum of \$1,896.00 to which the State will contribute an equal amount to be expended on Route 63 or raise and appropriate the sum of \$351.86 to which the State will contribute \$1,407.46 to be expended on Class 5 roads.

Article 12. To see if the town will vote to authorize the selectmen to borrow on the credit of the town a sum not to exceed fifteen hundred dollars (\$1,500.00) for the town's share in any work project that may be available from the government, or act in any manner thereon.

Article 13. To see if the town will vote to raise and appropriate the sum of \$340.00 to the Monadnock Region Association of Scenic New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the town in cooperation with the other thirty-seven towns in the Monadnock Region.

Article 14. To see if the town will vote to raise and appropriate a sufficient sum of money to replace the Red Cross car, or act in any manner thereon.

Article 15. To see if the town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00) and to use as much of that amount, as is necessary, to install the town water on Snow Avenue.

Article 16. To see if the town will vote to raise and appropriate the sum of thirty-one hundred dollars (\$3,100.00) to purchase the fair grounds so-called, of 17.06 acres, and the Hastings place so-called, of 5.23 acres with buildings, situated on the south side of Brattleboro Road to be used as an athletic field and to authorize the selectmen to appoint a governing board of five members to have full charge of the operation of the project or act in any manner thereon.

Article 17. To see if the town will vote to raise and appropriate a sufficient sum of money not to exceed seventy-five dollars (\$75.00) to lay out and establish a public highway along the present road leading from a point on the north side of Canal Street, nearly opposite the office of the George E. Robertson & Company mill, or otherwise, in the Town of Hinsdale, to the farm buildings of Harley F. Sheldon, located on Cream Pot Hill, so-called.

Article 18. To see if the town will vote to petition the state tax commission to have an audit made by the municipal accounting division and to make an appropriation to cover the expense of such audit.

Article 19. To see if the town will vote to instruct the selectmen to have published in future town reports the record of vital statistics as here-to-fore.

Article 20. To bring in your votes for the election of delegates-at-large, alternate delegate-at-large and all other necessary delegates and alternates to the National Convention of the various political parties to be held for the purpose of nominating party candidates for President and Vice-President of the United States.

Article 21. To transact and other business that may legally come before the said meeting.

Given under our hands and seal, in said Hinsdale, the
twenty-sixth day of February, 1940.

EZRA B. PIKE,
PRENTISS W. TAYLOR,
CLIFFORD D. STEARNS,

Hinsdale:

I herewith submit the following report.

There have been several improvements made this year in the water and sewer system, the most important of which was the extension of the sewer on Cream Pot Hill. This work was in charge of Walter H. Barrett, and was completed in good time. No ledge had to be removed and the digging was exceptionally good.

An emergency power plant has been installed at the purification plant, which will be used in case of the failure of outside power. This was considered necessary for the reason that there have been several times since the purification plant was started that the electric power has failed and it has therefore been impossible to operate the plant in a satisfactory manner, and it might have been necessary, in case of a fire at such a time, to send unfiltered water through the system. Fortunately this was not necessary, and with the new emergency power plant this hazard has been eliminated.

The 250,000 gallon stand pipe, which is located above Highland avenue, was drained, thoroughly cleaned, and given two coats of paint inside and one coat outside. This work took approximately two weeks time, during which time the purification plant was operated continuously 24 hours per day.

I recommend the installation of a second stand pipe before it is necessary to paint our present one again. I believe an ideal location for this second stand pipe would be on the other side of the river, at the same level as the present one.

I have attended several sessions of the Water Works School, in Boston, which are held each month, and have found them to be instructive and helpful.

Visitors are always welcome at the purification plant and anyone wishing to visit the plant is cordially invited to do so.

In closing this report I wish to thank the Commissioners and Selectmen for their cooperation during the past year.

Respectfully submitted,

CHARLES W. HARRIS,

Superintendent.

Miss Eva N. Fortier, R. N., concluded her duties on September 1, 1939 and Miss Ethel Thomas, R. N., acted as substitute nurse until September 15, 1939, at which time I took over duties of Red Cross Nurse in this community.

During the past four months the Nursing Service has been busy, thirteen home deliveries, the usual morbidity service, and a considerable amount of school work due to an epidemic of whooping cough occurring at beginning of school year.

In November and again in December the Service was visited by Miss Winifred Bonham, Nursing Field Representative, Maine and New Hampshire, American National Red Cross, Washington, D. C.

Miss Elizabeth Murphy, State Health Supervisor also visited the Nursing Service in connection with school health work.

The Regional Red Cross meeting held at Laconia in October was attended by nurse, also Nurses Section, New Hampshire State Teachers Convention at Keene, N. H.

An effort has been made to have the Nursing Service on a basis conforming to standards established and approved by Red Cross.

At this time I wish to thank the members of the local Red Cross Committee, Physicians, School Board and Teachers, Health Officer and the community as a whole for cooperation

and assistance given to me in promoting the work of the Red Cross Nursing Service.

Respectfully submitted,

HONORA M. KELLEY, R. N.

There has been the largest increase in circulation to take place in one year in 1939. This is due in part to an increase in magazine circulation of over 800, caused by the fact that magazine reports are now required by the schools. This also lowers the percent of fiction read from 72% to 68%.

For seven years the interest from trust funds has been decreasing and is now less than one-half its former amount. We have been unable to purchase enough reference books and juveniles to supply the demands and will be forced to discontinue the monthly book shelves in the schools as well as other school services, and also special privileges to the north and south parts of town. Our latest encyclopedia was compiled in 1917 and does not give as up-to-date information as is required by either the school children or library patrons. We have asked for an increase of \$200 in the town appropriation, in order that we may continue with good service. At present the library has a 30,000 circulation financed on less money than a 20,000 circulation was a few years ago.

The librarian attended the New Hampshire Library association meeting at Plymouth and a number of smaller meetings.

We hope to have the library redecorated this summer.

REPORT ON COMMUNITY ROOM

To the Citizens of Hinsdale:

We are submitting for your approval our second annual report.

We feel that the community room has fulfilled its purpose by providing for the young people of the town a place for social activities. The room is used each week by three Girl Scout troops, by the Boy Scouts, for band rehearsals, instrumental lessons and dancing classes, always under adult supervision. The room has also been used for many other purposes including card parties, food sales and committee meetings.

The committee and the advisory board (Board of Selectmen) have, at the request of various groups, arranged prices for the occasional use of the room for other than community purposes, \$3 for evenings and \$2 for afternoons.

The Selectmen have made several improvements in the room during the past year including a much needed new floor and new folding tables. Coat racks and a large bulletin board were made for the room by the Mechanic Arts department of the high school. A grill has been ordered for the protection of the large window.

Arrangements for the use of the room may be made with Mrs. Clarence B. O'Neal, chairman of the community room committee.

Respectfully submitted,
LENA H. O'NEAL,
ELIZABETH S. KIMBALL,
MARION J. POWERS,
LUCIAN A. LERANDEAU,
Committee.

REPORT OF SCHOOL NURSE

For Year 1939

I hereby submit my first annual report on school nursing.

The annual physical examination of all pupils was conducted in September and October by Dr. Edmund LaChaine, assisted by the school nurse. Each pupil found to have a physical defect was reported to parents by examining physician, and throughout the year efforts were made, and will continue to be made, to secure correction of these defects through the cooperation of parents and school nurse. At the time of the examination, many children with defective vision were found, and many of these pupils have been examined by an oculist and glasses obtained.

An epidemic of whooping cough, at the beginning of the school year, necessitated a great number of home visits for check-up, and exclusion of pupils from class-rooms for several weeks. No complications of a serious nature have so far resulted.

Four cases of chicken pox occurred in November.

Several cases of pediculosis have occurred in both the Bridge Street and High Schools.

Corrective work done during year:

	Pupils Treated
Dental Clinic, Dr. Grimes,	97
Tonsil and Adenoid Clinic, Elliot Community Hospital,	10
Tuberculosis Clinic, Dr. Kerr Elliot Community Hospital,	4
Orthopedic Clinic, Dr. Lee, Elliot Community Hospital,	1
Eye Clinic, Dr. Eades,	11

Through the sponsoring of a Milk Fund by the Local Branch, American Red Cross, milk has been distributed in the Bridge Street School since January 8, 1940. Children who can do so, pay three cents daily, those unable to do so, receive the milk through the Milk Fund.

There is need of a proper place within the schools for the examination of children by the school nurse, the treatment of minor injuries, etc., and a request has been made to the School Board for same.

At this time, I wish to thank the Superintendent of Schools, the teachers, and the parents for their cooperation and assistance in promoting the health of the school children.

Respectfully submitted,
HONORA M. KELLEY, R. N.

HEADMASTER'S REPORT

Fifty-eighth annual report of Hinsdale High School.

ENROLLMENT TABLE

Grade	Boys	Girls	Total
12	7	14	21
11	17	10	27
10	10	16	26
9	15	13	28
8	14	23	37
7	21	9	30
6	19	9	28
—	—	—	—
Totals,	103	94	197

This enrollment is slightly above average due to the fact that fewer members have dropped out in the upper classes in the last two years.

Complete renovating of the high school building has assisted in maintaining a sense of personal pride among the pupils wherein they have a feeling of responsibility for the upkeep of the building and habits of cleanliness are good to instill in adult or child.

The installation of machinery and the partial completion of a Mechanic Arts room has helped the morale of the school. The expansion of this course over a period of years should fill a decided need in our school system. The members of the Manual Arts Department deserve a great deal of credit for this accomplishment in creating a room and setting up their machinery so rapidly and so well.

New lights have assisted the problem of lighting to a great extent throughout the building.

Educational use:

At this time 21 of the graduates of the Hinsdale High School are attending post secondary institutions.

No graduate who has desired employment has been without at least a part time job. This is an exceptionally good record when official figures list over 6 million high school graduates who have been out of school up to six years and have never had any type of job.

School organizations:

The Outing Club under the guidance of Mr. Lerandean has provided enjoyment and benefit to a large group. The School Band gives an opportunity for musical expression of instrumental nature. The Glee Club gives an opportunity for vocal training and pleasure. Monthly assemblies with student participation gives training and pleasure to the scholars. The Dramatic Club offers a chance to a limited few for dramatic expression.

Each class is organized with a faculty advisor and class officers. Meetings are run under the rules of parliamentary law.

The Red Cross Nurse efficiently takes care of the health of the pupils and is available on call at any time when she is needed.

The faculty and pupils of the High School would greatly appreciate more frequent visits of the townspeople to the High School so that they may see their school as it works.

I wish to express my personal appreciation to all those who in the past year have so loyally supported the schools in Hinsdale.

Respectfully submitted,
CLEON B. JOHNSON,
Headmaster.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale :

I have the honor to submit by second annual report.

Teachers: Schools opened in September with only one change in the teaching staff. During the summer Miss Marion L. Clements, commercial teacher, resigned and Miss Bessie Spanos, a graduate of Boston University was elected to the position.

Enrollment: The following table shows the actual membership in the Hinsdale schools as of September.

School	Grades												Total
	1	2	3	4	5	6	7	8	9	10	11	12	
Bridge St.	18	29	31	24	25								127
Monument	0	2	2	4	1	3							12
Plains	1	1	2	2	1	1							8
High						28	29	37	30	26	28	23	201
Totals	19	32	35	30	27	32	29	37	30	26	28	23	348

These figures show that the enrollment in the first grade was the smallest in at least 12 years with only 18 pupils registered at the Bridge Street School.

The small enrollment in the rural schools raises the question of the advisability of consolidation of the two schools or of transferring the children to the village school where their educational opportunities would be much better than they are at the present with so few pupils and so many classes assigned to the teacher. The children would have the advantage of being

in one grade to a room system and would also have the opportunity to receive regular instructions in music and art.

Health: Health supervision plays a prominent part in any modern school system. This supervision in Hinsdale calls for a physical examination of every pupil by the school physician early in the fall and subsequent follow-up work by the nurse. This year the work has been exceedingly difficult because of the presence of whooping cough in the lower grades. On some days only six or seven children were present in the first grade and a large proportion of children lost from four to six weeks of school time in other grades because of whooping cough, chicken pox, and measles.

Miss Honora M. Kelley, school nurse, has been very active in her individual inspection of pupils and her work in this connection has been very much appreciated by the teaching staff. Her report for December during a period of little more than two weeks showed 162 individual inspections of school children. In addition to the regular inspections in the school room, Miss Kelley has visited the homes and in several cases conferred with dentists and oculists concerning the condition of the teeth and eyes of the children.

It is a pleasure to report that the local Red Cross Nursing Activities Committee has sponsored the creation of a milk fund and through its efforts many children are now receiving milk once a day.

School Buildings: In addition to the regular routine repair work during the summer, the following improvements were made:

High School: All floors sanded and reconditioned; slate blackboards installed in several rooms; commercial room enlarged and several rooms equipped with new shades.

Bridge Street School: A new oil heating plant was installed in this school to take the place of the old soft coal furnace.

The upkeep of the two buildings has been very satisfactorily done by the two janitors, Mr. Packard at the High School and Mr. Latham at the Bridge Street School.

A word of appreciation should be given to the boys of the Hinsdale High School who engaged in changing an old coal bin into a small, well-lighted mechanic arts room. This project not only met the approval of many visitors during the "open night" held early in the fall, but also the commendation of the State Supervisor of Mechanic Arts, Mr. Howard Swain.

Conclusion: Appreciation should be given to the work of the various societies and individuals who have contributed either in time or money in furthering the cause of education in Hinsdale.

Respectfully submitted,
CHARLES W. WALKER,
Superintendent of Schools.
